

Format

A4 • 2 sided
210 mm × 297 mm

Check box

Dashed lines are subsidiary lines used for the orientation. Keep them while creating your artwork and delete them in the last step.

Alternative it is advisable to create your own subsidiary lines at the corresponding positions.

Please delete all objects during and after the processing that shall not to be printed.

Bleed

You should apply the background until this field. The bleed will be trimmed at the further processing to make sure that it is a borderless print.
